The JRJ Women's Center (JRJWC) was envisioned by Willie Mae Jackson, president of the Bible Way Church of Atlas Road's Women's Ministry. Her vision was of a place designed especially for women that would help to foster health and prosperity in every area of a woman's life.

After several years of planning and preparation, the doors of the JRJ Women's Center opened on March 31, 2006. Since 2006, more than 4,000 women have been served through the programs and services offered by the JRJ Women's Center. In 2009, the JRJ Women's Center filed its 501(c) (3). The JRJ Women's Center continues to provide services and resources for ALL women (not only the women of the Bible Way Church of Atlas Road, but women throughout the Midlands).
